Universal Docking Station with Video sd300v

idea: One USB connection away from everything you need.

Product Number	**K33930US**
Sugg. Street Price	**$129.99**

Turn your laptop into a desktop in one simple step with the Kensington Universal Docking Station with Video sd300v. Simply plug a single USB cable into your laptop, add power and you are instantly comfortable and connected to a high-resolution monitor, printer, speakers-- everything you need. There´s no more plugging and unplugging your peripherals; they remain connected to the docking station.

Features and Benefits

- Universal compatibility with all brands of laptops via USB: Acer®, Apple, Asus®, Compaq®, Dell®, Gateway®, HP®, IBM®, Lenovo®, Sony®, Toshiba® and more

- HD screen capable so you can connect to a very large external monitor and drastically increase your visual workspace. Front Dualview button makes dual screen setup easy

- Plug-n-play and hot pluggable, so you can connect to the dock and swap devices without shutting down

- Connect to your high-resolution monitor, printer, keyboard and mouse, external hard drive and more from your laptop

- "Always-on" USB ports charges your mobile devices even when your laptop is shut down

- Front Audio ports and back speaker port lets you connect both 2.1 stereo speakers and internet chat headset

- Mini tower design reduces desktop footprint. Security slot allows you to secure your dock and its connected peripherals (via security cable and cablesaver)

- Docking station will not provide power to your laptop, but provide connectivity to peripherals via a single USB cable

Technical Specs

- Operating Systems Compatibility: PC and Mac® compatible including Windows® 7 (32-bit and 64-bit editions), Windows® Vista® sp1 (32-bit and 64-bit editions), Windows® XP (sp2, sp3, including Tablet PC
